Re: Advisory relating to reporting of kidnapping in Delhi

The Ministry of Home Affairs has brought to the notice of NBA that a child in Delhi has been kidnapped and the driver has been shot dead. The MHA has requested that news channels may be advised to exercise extreme caution in telecasting this news as the child's safety may come under threat. No visuals or name of the child/ family/ driver or the place where the kidnapping took place should be telecast.

Regards,

Annie Joseph
Secretary General
