Dear Ma'm

It is reliably learnt that Shri. Nitin Gadkari, MLC, BJP, during his press conference in Mumbai, has distributed certain CD's to the press correspondents for broadcasting through the news channels. The CD's pertain to the recent communal violence in Miraj, district Sangli of Maharashtra. In view of the fact that the situation in Miraj and neighbouring districts is still volatile, the broadcasting of the CD's is likely to influence the communal situation in Maharashtra and in other parts of the country as well.

It is therefore kindly requested that the Members of your esteemed organization be intimated accordingly and requested not to air the said CD as distributed by Shri. Nitin Gadkari.

Thanking You,

From,
Jt. Commissioner of Police (Law and Order),
